Recorded as Presented

The right of the Grantor to freely use and enjoy its interest in the real estate is reserved to Grantor, its successors and assigns insofar as the exercise thereof does not endanger or interfere with the construction, operation, and maintenance of the Utility Facilities, except that no building, structure or similar improvements shall be erected within said easement, nor shall the grade or ground cover over the Utility Facilities be substantially altered, without the consent of the Grantee. Notwithstanding the foregoing, no potable water pipes or conduits shall be placed within ten (10) feet, measured horizontally, from the said sanitary sewer pipes except pipes crossing same at right angles, in which latter case, a minimum distance of two (2) feet shall be maintained between the pipes. TO HAVE AND TO HOLD the above granted easement unto the same Grantee, its successors and assigns forever.

The Grantee agrees, by the acceptance of this easement that, upon any opening made in connection with any of the purposes of this easement, said opening shall be backfilled and resurfaced to as nearly as possible the same condition as existed when said opening was made, provided that Grantee shall not be obligated to restore landscaping, other than reseeding any grass which was removed upon entry, all such work to be done at the expense of the Grantee. Any damages to the crops, fences, tile or roads of Grantor caused by Grantee in the construction and installation of the Utility Facilities or in the maintenance, operation, repair, inspection, removal or replacement thereof shall be promptly paid by Grantee, provided written notice thereof is given to Grantee at its Public Works offices (or such other place as Grantee may designate in writing), within thirty (30) days after the occurrence of such damage. Damage for crops shall be based on the amount of affected acreage, the average yield of Grantor's farmland or similar farmland and the market rate for the affected crop at the time of the damage.

And the said Grantor does covenant with the said Grantee as follows:

1. That the Grantor is the owner in fee simple of the real estate, is lawfully seized thereof, and has authority to grant and convey the foregoing easement, and guarantees the quiet possession thereof, and that Grantor will warrant and defend the Grantee's title to the easement hereby granted against all claims. In accordance with Ind. Code 32-23-2-5(a)
